

AGRICULTURAL BEARINGS

ISO9002 CERTIFIED · LARGE ASSORTMENT · FAST DELIVERY · CUSTOM MADE · COST SAVING · HIGH QUALITY

WJB offers a full range of agricultural bearings including round, square, hex bore Disc Harrow and Flanged Disc units, 200 Series R-Seal type, Farm Radial Specials, assemblies, ball bearings, mounted bearing units, tapered roller sets, water pumps and more.

Applications include gauge wheel, ground disc, ridger, bedder, round baler, trencher, harvester, tractor, beet cultivator, and many more. They are compatible with most agricultural equipment brands such as John Deere, AMCO, and New Holland.

Our bearings are designed to increase the productivity under severe environments. Parts are interchangeable with BCA and Torrington's.
