

WJB AUTOMOTIVE

These hard to find, high quality replacement parts provide an extremely cost effective and convenient option instead of dealer direct products.

WHEEL HUB

- Manufacturing machines are developed for production of OE hub and wheel bearings.
- Steel is supplied from pre-approved mills and is certified for cleanliness, material composition and microstructure.
- Long service life is ensured by advanced quality controls and high-tech production equipment.
- Precision engineered.
- Grade 8 Bolts.
